

# 18<sup>th</sup> IEEE/IFIP Network Operations and Management Symposium NOMS 2022

Network and Service Management in the Era of Cloudification,  
Softwarization and Artificial Intelligence

25-29 April 2022, Budapest, Hungary

## TNT Workshop Best Paper Award

**1st International Workshop on Technologies for Network Twins (TNT) at  
18<sup>th</sup> IEEE/IFIP Network Operations and Management Symposium NOMS 2022  
25-29 April 2022, Budapest, Hungary**

## **TNT Workshop Best Paper Award**

is presented to:

**Stopping the Data Flood: Post-Shannon Traffic Reduction in Digital-Twins Applications**

authored by

**Caspar von Lengerke, Alexander Hefele, Juan Cabrera and Frank Fitzek  
(Technical University of Dresden)**

April 29<sup>th</sup>, 2022

Alex Galis, István Gódor, Noura Limam, Prosper Chemouil  
NOMS 2022, TPC Co-Chairs

Pál Varga, Lisandro Zambenedetti Granville  
NOMS 2022 General Co-Chairs

## Organizing Committee

**Laurent Ciavaglia**  
Rakuten Symphony  
General co-chair

**Diego Lopez**  
Telefonica  
General co-chair

**Tao Sun**  
China Mobile  
General co-chair

**Roberto Minerva**  
Telecom Sud Paris  
TPC co-chair

**Cheng Zhou**  
China Mobile  
Industry co-chair

**Da Wang**  
AsialInfo Technologies  
Industry co-chair

**Franco Callegati**  
Università di Bologna  
Publication chair

**Alberto Mozo**  
Universidad Politécnica de Madrid  
TPC co-chair
